

# Charlie Barker Themed Show

## Overviews & Tech Spec

Solo, female vocalist and electric/ acoustic guitarist playing a variety of material spanning the genres and decades with tracks and live vocals/ instruments in the following formats.

- Electric Dreams - Sounds of the 80s Tribute Show
- The 90s One More Time Tribute Show
- 80s vs 90s - Mixed Tribute Show (combine Electric Dreams & The 90s One More Time)
- Soul Generations - Soul Tribute Show
- Love Country - Classic & Contemporary Country Tribute Show
- Generations - A mixed set featuring a variety of music from 60s to current day
- British Jukebox - A celebration of the best in British music

## House/ Venue PA Requirements

3 channels - 1 x vocal mic (SM58 or equivalent), 1 x DI box (guitar/ pedal board), 1 x DI box (iPad Pro) with mains power connection at front of stage, 1 x boom mic stand.

Monitor mix preference - Vocal dominant

Extra info - Preference of reverb on vocals, with a little reverb on guitar. Mute vocal reverb when speaking.

## Own PA System

Requires a minimum of 3 mains power outlets.

If providing own PA system, Charlie controls sound from on stage and uses a Bose L1 Pro 32 tower system with Sub 2 bass unit and a T1 Tonematch Audio Engine Mixer Module. Charlie uses either a Shure SM58 or a Shure Beta 58A wireless microphone system, with a choice of a Fender Nashville Telecaster or two Martin acoustic guitars fitted with Fishman pre-amps with microphone body-blend and onboard tuners/ mute. An LED lighting system is available and optional. Output from own PA system can be additionally fed through a house PA system, appropriate for larger venues.
